Data-Planet: Federal Funding:

1. Under National statistics, click on Data Planet
2. Expand Education
3. Expand Public Elementary/Secondary
4. Expand School Finance
5. Click on Amount by Line Item

On the top of the screen, choose all years, then State, then Missouri.

Questions:

  What do you see right away?

  Can you compare state and federal funding for Missouri public elementary/secondary schools?

  What does that show you?
